Lagoon's homerun hit with the Lagoon 500 changed family cruising forever. This bluewater cruiser designed by VPLP is large enough to sail comfortably but can be easily handled by one or two.

This version is the owner's 4 cabin layout where each cabin has their own personal space and ensuite head with separate shower but the owner enjoys additional space with a bedroom lounge settee.

Here, the Art of Living at all levels is given to you in a raised flybridge helm, one level Salon, Galley and Cockpit and a forward cockpit for lounging with an uninterrupted view of the sea.

Light embraces the interior through large hull windows below and vertical salon windows in a 360 panorama view, Lagoon's trademark.

Wonderfully maintained, fully loaded. Only one owner with full time captain and chef offering private luxury excursions in the Bahamas when not in owner use. Contact us to speak with the Captain directly. Continuing to offer personal, luxury excursions is welcomed! Ask about the benefits of revenue!

Highlights include:

- New Generator 13.Kw, 0 hrs
- Water maker – HRO SFM 1400-2 (58gal / 221 Lt per hour)
- Dual voltage - 10 KW isolation transformer providing either 110VAC or 220VAC input (with +/- taps). The yacht shore power can be switched to run off 220 VAC 50/ 60Hz or 110 VAC 50/60 Hz input due to the input being controlled by the isolation transformer.
- Raised Flybridge helmstation exceptional view with all control lines leading to helm and electric winches ensure easy handling. Everything is at your fingertips. Nothing is done at the mast.
- Interior navigation is centrally located in the saloon facing forward
- Multiple redundancy of electronic equipment on board
- 3 Fridges, 2 Freezers
- Washer/Dryer
- Solar panels, Wind gen, Inverter, Alternator
- Upgraded Yanmar 75HP engines
- Dive compressor and dive tanks
- Multiple spares and safety equipment
- 11ft Dinghy + 40HP outboard
- CE Certified A for 14 pax

** This Vessel is Not for Sale to US Citizens While in US Waters. Presently in Fort Lauderdale for Repairs and will return back to home port in Nassau Bahamas. **
